

ABBATH
OUTSTRIDER
SEASON OF MIST

When **Abbath** announced that he had left **Immortal**, it sent shockwaves through the metal scene – his very image is synonymous with the genre. Upon releasing the debut album from his eponymous new band, **Abbath**, in 2016, true fans were satiated by a dose of icy, blackened fury. **Outstrider** sees a maturation in sound, delivering a tighter, well-rounded offering from the band as they come into their own identity. While there are moments that certainly channel the frosty hallmarks of **Immortal**, there is no danger of **Abbath** repeating that formula. **Abbath** draws from NWOBM and melodic influences, adding a fresh new flavor to the sound that the band's founder came to define. **Outstrider** consists of eight, crushing original songs and concludes with a fiery Bathory cover.

BRAND OF SACRIFICE
GODHAND
UNIQUE LEADER

Formed in 2018 and having already released a masterful and immensely well received EP, *The Interstice*, Toronto / New York based brutal death/hardcore group **Brand Of Sacrifice** has already established itself as one of the most uniquely thrilling and compositionally adventurous extreme metal acts in the scene today. Their debut long-player, **God Hand**, finds the band pushing both its growing maturity as songwriters as well as its ability to commit total sonic devastation. "**God Hand** is absolutely our most punishing and relentless material to date," says the band. "That being said, there are many hooks and 'chorus' sections... Whether you're a fan of Death metal/Hardcore or the Brutal/Slam side of the Metal genre, there's something here for you."
